

BILALWORLD.COM

Parent Education & Leadership Portal

A parent-first portal sharing the method behind Bilal's character, discipline, and intellectual excellence.

Prepared by International Digital Education Access Inc. (IDEA).

This document is confidential and intended solely for review and evaluation by invited parties. It is not for public distribution, reproduction, or reliance without the prior written consent of IDEA. All concepts, materials, and intellectual property referenced herein remain the property of IDEA or its designated partners.

BILALWORLD.COM

BilalWorld.com is a parent education and leadership portal designed to share the method behind the result.

Grounded in Abu Bilal's belief that intentional parenting, tarbiya, and ta'leem shaped Bilal's intellectual and moral development, the site exists to help parents and educators understand, apply, and adapt the principles that formed a well-rounded young scholar.

It offers adult-focused resources, writing, guidance, and tools, along with standard website functions such as a blog, shopping cart, and donations.

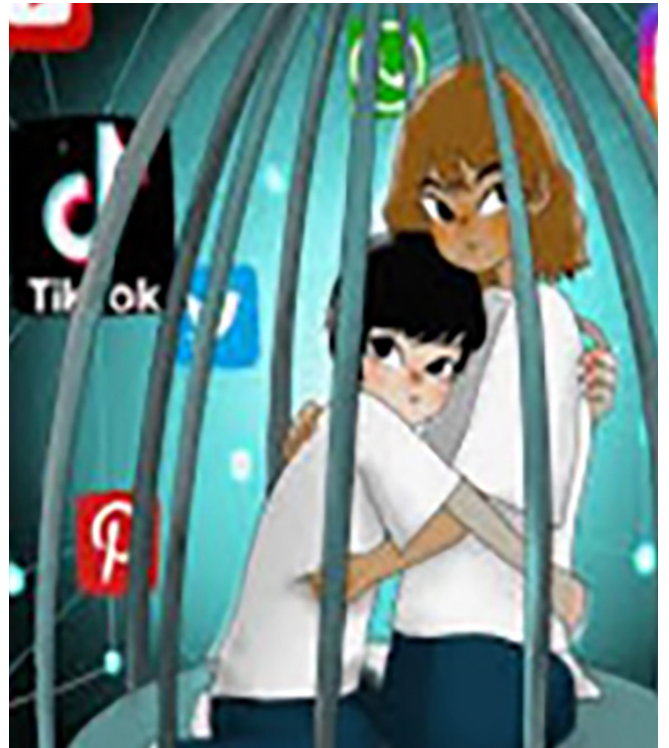

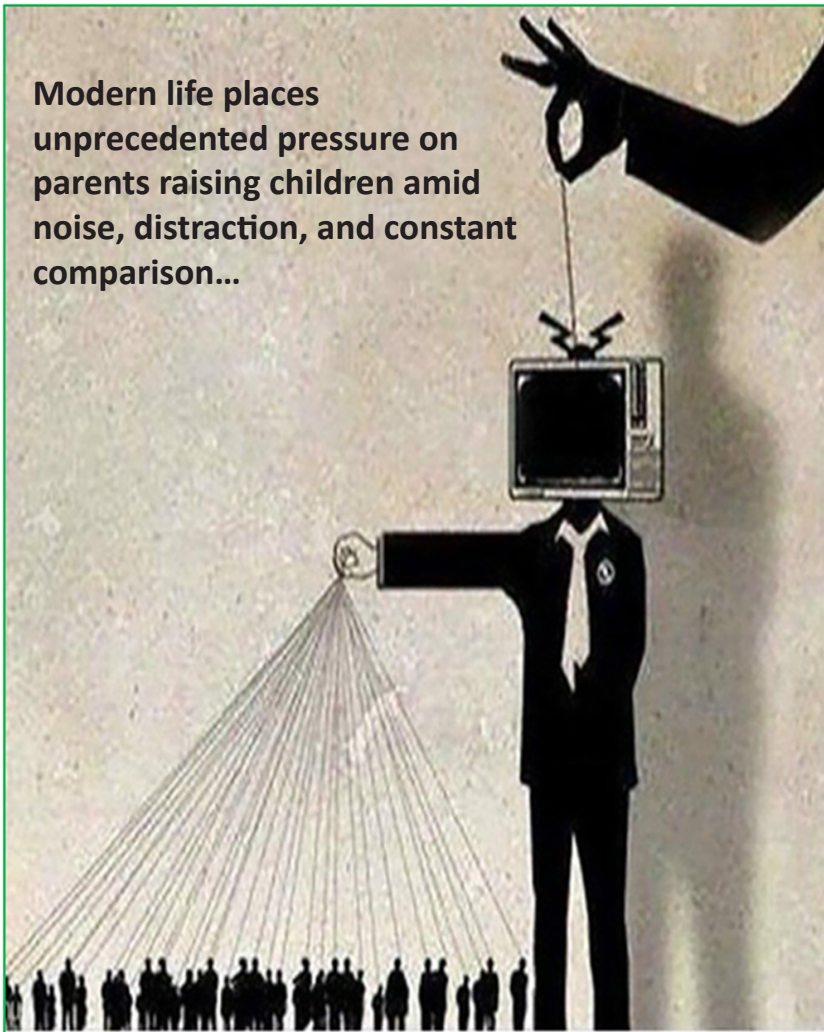

BilalWorld.com contains EduConnect as its sole functional link to the Freedom Tablet ecosystem, allowing parents and institutions to securely manage offline Bilal content on approved devices.

Children are not directed to the site, and no child-facing online experience is provided - honoring the commitment that Bilal's world is experienced by children offline, and BilalWorld.com exists for adults only.

MODERN LIFE & CHILDREN

Modern life places unprecedented pressure on parents raising children amid noise, distraction, and constant comparison...

BilalWorld.com offers parents a calm, structured framework for raising thoughtful, confident children in a digital age.

TARBIYAH & TA'LEEM
